

MARY HELEN RILEY, (right), of Mokena, is shown receiving the second place award, a \$50 savings bond, from Mrs. Helen Karlsen, of the Wm. Martin VFW Auxiliary #725, in conjunction with the Dept. of Illinois Ladies Auxiliary to the VFW.

This is the second time Mary Helen has won an award from the Auxiliary. She was a first place winner in their essay contest, in which the prize also was a \$50 savings bond. She is a student at Providence High School, and an active participant in Americanism.

PARTICIPATING IN THE Annual Providence High School Benefit Horse Show is Mrs. R. J. Mocny, Lemont, with her hackney pony, Driftwood.

The show will be held at the Francis 4-H Field, New Lenox, on June 17-18. Funds from the show will be used for future expansion programs at Providence. (Mocny photo)

Lets Contract For Bridging Of I-80 On New Route 45

The contract for the bridge carrying U.S. 45 over I-80 has been let to Arcole Midwest Construction Co. The bids were opened at Springfield last Friday and Arcole's figure was approximately \$88,000.

The letting Friday did not include the spanning of the Rock Island tracks. That will come up when the contract is let for the interchange, it was said.

The contract left Friday covers the branching off of U.S. 45 to the west at 183d St. The new roadway will span I-80 and then temporarily jog back to the east about 400 feet north of the Rock Island tracks, it was said.

Thus the Rock Island will continue to be crossed underneath until the interchange is built. Earlier it was indicated that the inter-

change on 45 would be completed about nine months after traffic is moving on I-80 and that is supposed to be in December of this year.

The Arcole contract let last Friday also covers some temporary connection of roads, it was said.

Contracts for the paving of I-80 between Harlem Av. and New Lenox has been let to Arcole. The grading is completed between Wolf Rd. and New Lenox, with Brown & Lambrecht doing the work. Apparently they will do the grading between Wolf Rd. and Harlem.

It is understood that a contract also will be let in the near future for the bridge over I-80 on 80th Av.

Couple Wed 50 Years

Mr. and Mrs. David Hausser, formerly of Mokena, are celebrating their 50th wedding anniversary Sunday, June 4 with an open house. The affair is to be staged at the Belmont Athletic Club, Ridgewood, Joliet from 2 to 5 p.m. All relatives and friends are invited.

A special mass for the couple will be celebrated at St. Mary Church, Mokena at 10 a.m. Saturday. Afterwards members of the family will have breakfast at Jardine's restaurant.

Frankfort Girl Is Scholarship Winner

Connie Jo Van Rheeden, of 235 S. Maple St., Frankfort, is one of the five winners of University of Illinois scholarships in Will County, it was announced by County Supt. Boyd R. Bucher.

The five scholarships available in Will County were awarded on the basis of scores made on the ACT examinations given in April, June, August and October, 1966. The winners are exempt from tuition fees for a period of four years.

Besides Miss Van Rheeden, who is graduating from Lincoln-Way High School, the other winners are, Michael W. Jamieson, Joliet; William A. Francis, Rt. 1,

Wilmington; Leslie Ann Levinem, Dyer, Ind., and William A. Drapak, 108 Warwick Ct., Lemont.

Miss Van Rheeden is the daughter of Mr. and Mrs. Robert L. Van Rheeden, and was on the top honor roll at Lincoln-Way which means that she carried an average of between 3.75 and 4.0. Her father is head of the vocational agriculture department at Lincoln-Way.

These scholarships can be used only at the University of Illinois and are in addition to the general scholarship winners previously announced who can use their scholarships at any of the seven state-supported universities in Illinois.

Providence Horse Show Will Attract Top Riders, Mounts

Providence High School in New Lenox will bring a new social event to the Joliet Region the weekend of June 17 and 18. The First Annual Horse Show presented by the school is sanctioned by the Northern Illinois Horse Show Association and the Wisconsin Horse Association. It will be held at Francis Field in New Lenox.

It is to be one of 15 shows on a circuit thru the mid-west. Over 200 entries from Illinois, Indiana, Wisconsin and Ohio are expected to compete in the 40 events scheduled for the

two-day show.

Trophies and cash prizes totaling \$2,500 will be awarded. The 40 events scheduled will include competition among 3 - gaited horses, 5 - gaited horses, roadsters, hackney ponies pulling viceroys, Tennessee Walking horses, fine - harness horses with buggies, jumpers and hunters. Equitation events, where the rider only is judged, are scheduled for all ages.

Riders in all events are required to wear appropriate riding habits. These costumes vary from colorful silks and Western outfits to

formal evening attire with silk hats and tails for all evening events.

Several events will be open to amateur horse owners within a 50-mile radius of Joliet. These classifications include children's pleasure ponies, English pleasure horses, Western pleasure horses, and 3 - gaited American - bred saddle horses with a natural mane and tail. Amateur entries must wear appropriate riding habits.

Further information on rules and entries in amateur events can be obtained by calling Providence High School, New Lenox.

All fund's derived will be used to benefit the students of Providence High School. General Chairman for the event is Warren Wood, of the Union National Bank and Trust Company of Joliet.

Plan Expansion Of Independent Study At Lincoln-Way HS

BY KAREN TANI

An advancement in the education of the individual has been made at Lincoln-Way High School in New Lenox. The school's far-sighted and up-to-date outlook on education can be seen in a new program for the school's upperclassmen.

Three years ago the English department, headed by Mrs. Robert Marion, introduced a new program on the junior level called Independent Study. The program proved extremely valuable and has become a standard feature of Junior English.

While Independent Study has, in the past, been conducted on a nine-week voluntary basis within the English department, 1967-68 will bring to L-W an outgrowth of the program. Beginning in September a one semester Independent Study program

will be offered to any student expressing a desire to conduct an in-depth study under the limited supervision of a staff member. The students and topics of investigation are subject to approval but, once approved, the student may study under any teacher in any major field - from the development of language to the discovery of insecticides.

This program is designed for the adventurous, resourceful, persistent and capable student who wishes to make the transition from the regular classroom situation to a real feeling of independence and accomplishment.

Educators interested in this program and how it functions may contact William Colgan, chairman of the Independent Study Board, at Lincoln-Way High School.

CONCLUDE BRIDGE MARATHON for the 1966-67 season. Members of the Altar and Rosary Society of St. Mary Church, Mokena, each pays in a fee at each session and the proceeds are donated to the church, play began last September. The concluding session was held at the home of Mrs. Leo Marcoux, Sylvandale Farm.

Homemakers Hold Annual Meeting

The New Lenox Methodist Church was the scene of the 29th annual meeting of the Will County Homemakers' Extension Association with 190 members and guests in attendance.

When the roll call for the units was held, ten charter members were among those present, and of this group, Mrs. Harlow Nicholson, Jackson unit, and Mrs. Earl Keniston, Wesley unit, had attended all annual meetings for the past 29 years. The Jackson unit had the largest number of members in attendance with a total of 18.

Group singing was led by Mrs. William Rutledge, 4-H Chairman, with Mrs. Harry Griffin at the piano.

Mrs. Howard Phelps, nominating committee chairman, presented the 1967-68 slate of new officers and chairmen, and Mrs. Harold Carlson, immediate past president, read the complete slate of officers, which was unanimously accepted by the membership.

Those installed by Mrs. Herman Lindholm, past district director, are Mrs. John A. Larson, Wheatland unit, president; Mrs. Richard Lambert, Plainettes, first vice president; Mrs. William C. Stoner, New Lenox, second vice president; Mrs. George Wilson, Crystal, secretary; Mrs. Daniel Walker, New Lenox, treasurer; Mrs. William Rut-

ledge, Wesley, 4-H chairman; Mrs. Harold Hunt, Plainettes, public information; Mrs. Melvin Conner, Manhattan, ways and means; Mrs. Gary Fellows, Manhattanettes, recreation; Mrs. Edwin Dempsey, Troy, community interest; Mrs. Oliver Johnson, Will, special programs; Mrs. Edward Berens, New Lenox, craft chairman, and Mrs. Robert Overman, Troy, subject matter.

Mrs. Larson paid tribute to the late Mrs. Walter Dudek, craft chairman, and Mrs. Carl Stacey, first vice president.

Recognition was given Mrs. Richard Brady, Mrs. Howard Phelps, and Mrs.

Nicholas Bokan who were vacating the offices of secretary, special programs, and craft and subject matter chairmen respectively, after four years of service.

A short address was given by the new home adviser, Mrs. Beatrice H. Bagby, entitled "A Glance Behind -- A Look Ahead."

Luncheon was served by the women of the church. The Rev. Herbert George gave the invocation. Guests of the Association were the Rev. George; Mrs. Lindholm; Mrs. William Delaney; Mrs. Ruth Tinsley, president of the DuPage Council; Mrs. John Turrell, first vice president of the DuPage Council; Mrs. Eleanor Winters, Cook County chairman; Adeline Perzinsky, Cook County secretary.

After luncheon, a very interesting and entertaining program, "Decorating Through the Seasons," was given by Mrs. Edna O. Crumbaugh, floral design consultant, decorator, instructor, and lecturer from Clarendon Hills.

The meeting ended with the members reading the homemakers' creed in unison.

MR. AND MRS. D. J. MOTYKA

Physician To Open Office At Mokena

Dr. Daniel J. Motyka, who is engaged in the general practice of medicine, is to open an office in Mokena

June 1. His offices will be located in the wing at the north end of the Mokena Pharmacy on Front St.

Dr. Motyka has been practicing at Hammond, Ind., for the past two years and will continue to maintain an office there for the coming year. He will then move to Mokena, he said.

In the meantime, he said, he will be in Mokena on Wednesdays and some portion of every day. Patients can make appointments by telephone. Inasmuch as the new telephone books will not be forthcoming for some time the doctor's number will be 479-9606.

Dr. Motyka was raised in Niles, Ill. He took his undergraduate work at the University of Illinois and then attended the Chicago Osteopathic College from which he was graduated in 1964. After a year's internship at the Chicago Osteopathic Hospital he began his practice at Hammond. He also is a graduate of the Illinois College of Podiatry at Chicago, graduating from there in 1960.

Dr. Motyka and his wife, Ruth, have a son and daughter, Kenny, 5, and Lori, 7 years old.

Urges Bike Riders To Know, Observe Rules Of The Road

Illinois bike riders, young and old, were involved in 1,400 accidents last year, and 35 bicyclists died in bicycle accidents.

University of Illinois 4-H Specialist Fred L. Haegele says it's up to the parents to be certain their youngsters know the rules of the road before they ride on streets and highways.

1. A bicycle should be ridden on the right-hand side of the street.

2. Pedestrians do not have the right-of-way on sidewalks.

3. A bike in poor mechanical condition is safe as long as the rider is skilled.

4. Bike riders should keep to the right when riding in the street.

5. Bike riders do not need to give hand signals when stopping or turning.

6. The faster you ride, the safer it is.

7. It is permissible for small children to ride in the basket.

8. Handlebars should be loose so you can change positions.

9. If there is no traffic, it is not necessary to stop at intersections.

10. Persons riding bikes are subject to the same rules as motorists.

Haegele says that questions one, four and 10 are true. The rest are false.

Sandburg Grad Makes List Of 29 "Young Sculptors" In U.S.

Sculptor Bob Sislow, a 1966 graduate of Carl Sandburg High School, has been picked as one of 29 U.S. high school artists to be included in "Young Sculptors," a portfolio shown for the first time in San Francisco.

A photo of Sislow's six-foot tall welded steel art object, "Liberty" and his description of how it was done, will be included in the portfolio, edited by Illinois State University art professor F. Lewis Hoover.

"Young Sculptors" will be used as a teaching aid in various U.S. high schools. Hoover said that "several thousand high school artists were considered for the booklet before the 29 best were chosen."

"Liberty" was the first metal sculpture Bob had ever done. He spent about three-fourths of his senior year in art class behind goggles, welding car parts together, creating it. Sandburg art department chairman Martin Suchor guided Bob in his

work. "I didn't realize what I was doing right and wrong," Bob said, "but now I know."

"Liberty" is supposed to symbolize a man, Bob said, and is meant to bring to mind the Statue of Liberty. It is made of fenders, a drive shaft, metal rods, bent pieces of steel, and plastic car parts.

Sislow has been offered \$600 for the sculpture and

Green Garden Woman Suffers Serious Hurts

Mrs. Ila Kline, 24, who resides on U.S. 45, in Green Garden Township, suffered compound fracture of a leg, a head injury and possible internal injuries as a result of an automobile crash Monday morning.

Mrs. Kline, mother of four children, the oldest of which is seven -- was employed on the midnight to 7 a.m. shift at Superior Match, Frankfort. She was on her way home and according to state troopers, who investigated the accident, she ap-

parently fell asleep at the wheel as she was crossing a small bridge about half a mile north of the Manhattan-Monee blacktop. The car struck a guard rail. The rail broke and rammed thru the car like a giant spear. It protruded thru the left door.

Sislow took four years of art at Sandburg, as well as taking summer classes at the Art Institute.

The Frankfort Volunteer Fire Department was called and Mrs. Kline was rushed to Silver Cross hospital at Joliet. She is the wife of Sherrill Kline.

Reports Say Proposed Airport Is Too Large For Any One Township

Hang onto your hats, folks! Here we go again on that big old airport deal again.

From information that has been handed along thru various channels the proposed airfield usually referred to as "another O'Hare," would really dwarf that port.

The proposed new port would have runways 15 miles in length, or about six times longer than the longest at O'Hare, it is said.

It was pointed out that if all of Homer Township were purchased it wouldn't be large enough. No single township would be of sufficient size, as they are only six miles square it was explained so if and when land is acquired the tract would have to include holdings from several townships.

Those interested in buying a site talk about townships like they were residential or business lots. And whereas the first figures released a week or so ago put the cost of the proposed airport at \$124-million those who know something about the subject say that the cost will run at least a billion dollars.

It is said that local governments would get away free - The federal and state governments are tapped for 50 and 25 per cent respectively. The local government that would have to put up the rest of the money could produce it thru the sale of revenue bonds, it was said.

The new airport is said to be intended for use of those jobs that are supposed to carry 500 passengers or more, hence the long runways.

Flyers point out that when any of the big jets coming in for a landing conk out there is no chance for maneuvering. The big jobs have but one way to go, pilots' say, and that is down and if they come down in a town there will be a lot of funerals, as well as a lot of property damage.

That is why, it was pointed out, that to approach a field via Joliet or Kankakee could be ruinous to those communities.

Whether Cook county has

runways--except out in Lake Michigan, is something that hasn't been disclosed. With its political clout Cook County is considered as a certainty for the airport, if Mayor Daley wants it.

A part of O'Hare is in DuPage County but thru strip annexation Chicago has gained control of the airport and it was predicted that the same thing would occur if Will County is selected for the king-size airfield.

Green Garden is considered as a part of the fog

belt but it was said that also included in the prospective site would be sections of Frankfort, Monee, Peotone and Manhattan, with perhaps a touch of New Lenox.

Homer residents are fighting any attempt to include that township in airport plans. Homer itself, it was pointed out, is too small for consideration but it could be combined with other territory, say Orland, Lemont, Lockport, Frankfort and New Lenox townships, for a possible airport.

Hold Funeral Rites For Walter Peters

Funeral services for Walter W. Peters, of Green Garden, who died suddenly last Saturday, May 27, were conducted Monday afternoon from the Fedde - Helfrich chapel at Peotone.

Mr. Peters suffered a heart attack last Saturday and was rushed to Silver

Cross Hospital. He was pronounced dead on arrival.

He was born in Green Garden Township and had resided in the area all his life. His funeral was held on what would have been his 71st birthday. Mr. Peters had farmed all his working life but at the time of his death had retired.

Area Woman's Father Dies At Chicago

Funeral services were held on Friday, May 26, for Adolph F. Norling, age 89, late of 3549 S. Seeley Ave., Chicago.

Mr. Norling died Tuesday, May 23, at a rest home after a lingering illness.

Born in Sweden, Dec. 5, 1877, he came to Chicago at the age of 14, and had lived there all his life.

He is survived by two sons, Howard of San Antonio, Tex., and Wendel of Chicago; two daughters, Mrs. Ruth (Ruby) Urbano, of Lincoln Estates, Frankfort, and Miss Melvina Norling of the above address in Chicago, with whom he made his home.

Removal was to the Friedrich's Funeral Home, 1939 W. 35th St., Chicago, where services were held on Friday, May 26, at 1:30 p.m. with the Rev. Michael Cowie of the Embury Methodist Church officiating.

Interment was in Oak Woods Cemetery, Chicago.

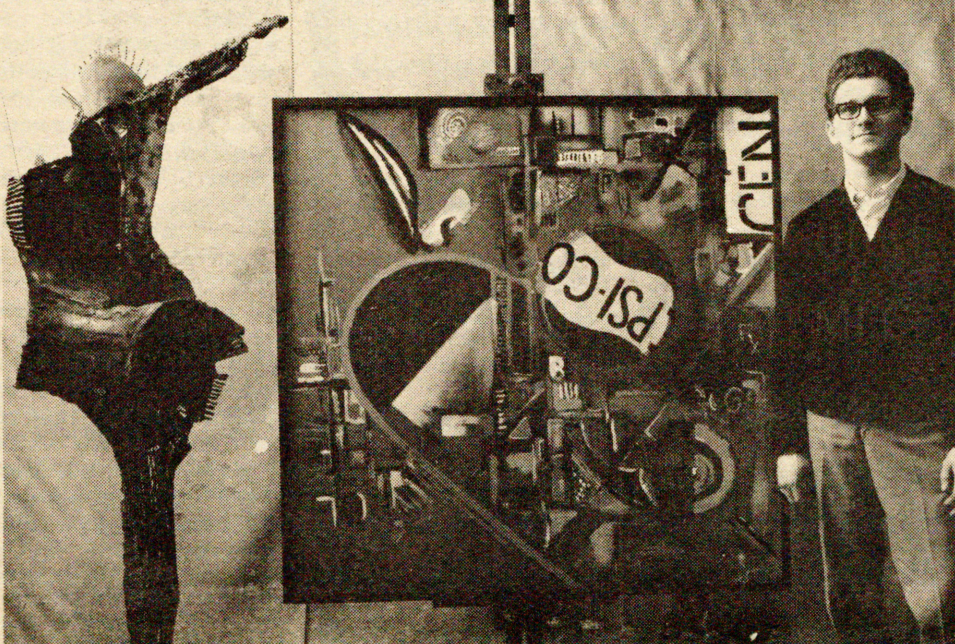

Besides his wife, Eleanor, Mr. Peters is survived by a sister, Miss Clara. He was preceded in death by his parents, William and Emelia Peters, two sisters, Mrs. Lillian Johnson and Miss Elsie, and one brother Herbert J.

Mr. Peters was a member of St. Paul's United Church of Christ of Monee and the Rev. A. W. Plumb officiated at the funeral. Interment was in Union Cemetery.

Lamb Show Set June 12

Will County 4-H market lamb show will be held Monday, June 12, at Francis 4-H Field near New Lenox at 7:30 p.m.

Webster Bay, assistant farm adviser, Will County, said that Aubrey Williams, lamb buyer for the Illinois Producers Livestock Association, will judge the 4-H show. John Chesnut Sr., 4-H leader from Mokena, will be superintendent.

BOB SISLOW, whose sculpture "Liberty" (left) will be included in a portfolio of work by high school sculptors, is shown with a "near Pop Art" painting (center) he did in Art III class at Sandburg. Enamel paint, applied to a 4' by 4' piece of masonite panel, was used. Bob is now studying at the American Academy of Art in Chicago.

Golfers from Stagg High School, playing on their "home" course at Walnut Hills Country Club, won their second meet of the season last Thursday, by a 322 to 330 margin against Tinley Park.

Medalist honors went to Wayne Searle who shot a 72. He was followed by Charger linksman, Jim Hartman, 77; Joe Jamros, 86; and Les Jackson, 87.

Stagg's earlier win was over Hinsdale South, but Thursday's score was the Charger's lowest of the season, Coach Larry Hedger said.

Hedger commended Mrs. Pat Ackerson, president of Walnut Hills, for her cooperation with Stagg in its first year of interschool golfing. "It's another fine example of the way the Stagg community has helped our new school," he said. "We've had excellent relationships with area businessmen overall, and Mrs. Ackerson's help in making the course available to our

team is appreciated," he added.

At the recent Illinois Federation of Women's Club Annual Convention held at the Sherman House the Orland Park Junior Woman's Club proudly received the coveted 100% Club Award along with the award for their membership being 100% subscribed to the Illinois Clubwoman Magazine. The 100% Club Award is an award that all 40 members of the Orland Juniors work towards through out the year during their many projects. Along with contributing locally to their community such as the Fire Department, Library, Brownie Troops, Cub Scout Troop and Youth Association, they support various other philanthropies financially. These include the General Federation of Women's Club Projects which are Care for the Philippines, Project Hope and Operation Healthy Babies in cooperation with the March of Dimes; and also Illinois Federation of Women's Club Projects, Brain Research and Scholarships for Teachers of Exceptional Children.

The object of the club is to promote friendship, stimulate education and cultural interest, philanthropy and social development among the women of the community.

New officers for the year are Mrs. John Furlong, President; Mrs. Allan Sims, 1st Vice President; Mrs. Ronald Burman, 2nd Vice President; Mrs. Thomas Charlton, Recording Secretary; Mrs. Alex Zabinski, Corresponding Secretary and Mrs. Robert McArthur, Treasurer.

Motor Club Opposes Bills To Pay Toll Deficits By Taxes

The Chicago Motor Club -AAA today urged the Illinois legislature to oppose similar senate and house bills which, in the guise of creating a new state toll highway "authority," would not only remove needed restrictions upon the present toll road "commission," but would pave the way for use of gas tax and license fee revenue to pay toll road bond deficits.

Gerald W. Cavanagh, motor club president, pointed out that, although S.B. 1735 and H.B. 2328 are each 25 pages long, the bills make only a few, but highly significant, changes in the present toll road law, including the following:

1. Abolish the current 25 member advisory group, which includes 10 legislators;

2. Enable "any agency or department" of the state to order that the State Highway Fund absorb the bond payment deficit of the toll roads.

Cavanagh said:

"Toll road bonds should never be paid out of taxes. They should be revenue bonds only, paid solely from tolls. The highway user already is carrying a disproportionate share of the tax burden. To use his

highway tax fund money to bail out a toll road system that has not measured up to expectations would be a severe setback to development of Illinois' free highway network and would saddle the highway user with the cost of the new authority's errors in business judgment."

The motor club president added:

"It is a cardinal policy of the Chicago Motor Club and the 10-million member American Automobile Association that no toll road should be authorized unless it is demonstrated conclusively that it is essential, economically justified and that there is no other way it can be built out of current or contemplated taxes or by some other method other than tolls. Each toll road proposal should be considered by the General Assembly on an individual basis instead of allowing a toll road authority to assume total responsibility for highway planning in Illinois."

25th Anniversary Of Founding Lidice USA

Will County school-children have been given the opportunity to participate June 11 in the 25th anniversary observance of the founding of Lidice, U.S.A., and the annihilation of Lidice, Czechoslovakia.

Boyd R. Bucher, superintendent of schools, has forwarded to all school administrators, high school history teachers and classroom teachers of the upper four elementary grades informative material on the commemoration service planned by the Crest Hill Women's Civic League.

Altho no formal representation of the schools in the observance is planned, each faculty member and student is encouraged to express his sympathy to the appeal which led to the birth of the Illinois Lidice in 1942.

In June of that year, the tiny Bohemian village was wiped out by the Nazis in retaliation for the assassination of a Nazi general.

A firing squad shot 185 men and teen-age boys, condemned most of 105 children to the gas chamber and sent the 203 women to concentration camps.

Barley was planted over the mass graves of the dead of Lidice and the village's name was erased from public records.

The tyranny so shocked the world that British Prime Minister Winston Churchill and President Franklin D. Roosevelt issued an appeal to rechristen "Lidice" in the United States to perpetuate in the hearts of all people the love of human freedom and the courage to maintain it.

At that time, Dominic Romano was developing the subdivision of Stern Park Gardens in Lockport Township. With the help of the Federal Housing Authority, Romano brought about the birth of Lidice, USA.

The formal dedication on July 12, 1942 brought thousands of people who vowed never to forget the atrocity that shocked the world.

Wendell Wilkie, 1940 Republican candidate for pre-

sident, delivered the principal speech. Others present included Col. Vladimir Hurban, Czech minister to the United States and Dr. Walter MacPherson pastor of the Universalist Church of Joliet. The program was broadcast coast to coast by the National Broadcasting Company and in Europe by the British Broadcasting System.

The high point of the day was the lighting of a torch--"the light of Liberty"--and the dedication of a memorial shaft inscribed, "In memory of the people of Lidice, Czechoslovakia, destroyed by barbarism, but living forever in the hearts of all who love freedom, this monument is erected by the free people of America at Lidice, Ill."

Lidice, USA, is now part of the City of Crest Hill. Because of the historical significance to this area, the Crest Hill Women's Civic League feels a responsibility to rededicate the pledge made 25 years ago "that liberty shall not perish from the earth."

The program will be at 1:30 P.M. on Sunday, June 11 at the memorial on Prairie

Providence Mothers Elect New Officers

When Providence Mothers' Club met recently in the school cafeteria for the final meeting of the year, Mrs. Vern Ridings, nominating chairman, introduced the new officers who will be installed at the September meeting.

Mrs. Robert Rock, of Lockport, will serve as new president; Mrs. John Mackay, vice president; Mrs. Francis Rink, treasurer and Mrs. William Avila, recording secretary.

The program for the evening was in the form of a style show, "It's a Girl's World", presented by Mrs. Dave Barry's home economics class. Each girl modeled the garment she created in home-making class this year. Commentators for the show were Sandra Matusefski and Barbara Moncek. The mothers were also entertained with a French horn solo by Judith Losos, accompanied by Mary Lynn Kelly, and a piano solo by Christine Joutras.

New Lenox

Schools Benefit In Many Ways For Efforts Of PTA

MRS. DOLORES ANDERSON
Telephone: 485-2365

The Parent Teacher Organization of the New Lenox Grade School has ended a very successful year and last week presented a check for \$870.00 to Arnold J. Tyler, Superintendent of the New Lenox Schools, to be used to purchase playground equipment for Marley and Reiter schools, furnishings for a teachers' room at Haven school, a microphone and public address system for Oakview school, a tape recorder for Schmuhl school, and shrubbery for Cherry Hill School.

These purchases were recommended after conferences and consultation with teachers and superintendent, and were made possible by the hard work of the budget and finance committee.

The Parent Teacher organization carried on an extensive program. They sponsored a parents' math class, and a teachers breakfast; purchased Christmas trees for all schools; graduation flowers for the current year, a coat for the Oakview crossing guard, and paid one half the salary of the Cherry Hill crossing guard.

They worked with the New Lenox Lions Club to provide vision and hearing testing for pre-school children under the supervision of the Will County Health Department, and also participated in the Lions Club Christmas basket project. They promoted a study of the warm drinking water at Haven school, and with the help of Thomas Portrey, the water tank and water pipes were wrapped with insulation and considerable im-

provement has been noticed. Mr. Portrey is to be thanked for his generous gift of time, energy and interest.

The hospitality committee supervised room mothers' activities in the schools, assisted with kindergarten orientation conferences, and served refreshments at the kindergarten roundup. Seventh and 8th grade mothers participated in fund raising activities for the graduation banquet and the 8th grade trip.

All schools received vision and hearing testing services under the supervision of the health committee and the Will County Health Department.

A number of movies were sponsored during the year and a 7th and 8th grade skating party was planned for May.

Interesting programs were presented at each regular meeting and the membership committee worked diligently to promote attendance.

Mrs. June Miller, retiring president would like to thank all her committee chairmen, co-chairmen and committee members who worked for the Organization this year. Without them, the very successful year would not have been possible.

Saturday, June 3, will be a Work Day at the Methodist Camp Grounds, when the men will get the grounds ready for the summer vacation Bible school, to be held this year at the camp grounds, for the first time.

A pot luck supper and party for the members of the Celeste, Wesley and

Chancel Choirs of the Methodist church, and their families, is planned for Thursday evening, June 1, at 6:30 p.m. at the church. Mrs. Larry Floyd is chairman in charge of the affair.

Church services in the Methodist church will change to the summer schedule on Sunday, June 11, the winter schedule with two services concluding on June 4. The summer schedule for June, July, and August will be with both the Service and Sunday school at 9:30 a.m.

Mr. and Mrs. George Baughan, 128 E. Second Ave., have received word of the arrival of a daughter, born to A 2/C and Mrs. Roger Baughan on May 19, in Weisbaden, Germany. The baby weighed 7 pounds 4 ounces, and has been named Deborah Ann.

Mrs. Baughan is the former Kathy Dennison, daughter of Mrs. Helen Dennison, 110 Peale Street, Joliet.

Children May now enroll for the "Busy Bee Reading Club", a summer reading program which will begin May 31 at the New Lenox Library.

Library Hours are Monday thru Friday from 1 to 5 p.m.; Monday and Thursday evening, from 7 to 9 p.m., and on Saturday from 10 a.m. to 1 p.m.

Pvt. Jerry Loucks, son of Mr. and Mrs. William Loucks, left Friday for Fort Dix, N.J., after spending two weeks leave here with his family and friends. He just completed an 8 weeks schooling in Operating Maintenance school at Fort Leonard Wood, Mo., and will leave now for Frankfurt, Germany where he will be stationed for the next two years.

The New Lenox Church of the Nazarene will conduct a Vacation Bible school under the supervision of Mrs. Lora Gilbert. The date is June 12 thru 23, from 6:30 p.m. to 8:30 p.m. Monday through Friday.

The VBS theme is "God Speaks Today". There will be Bible study, music, and handcraft work for all children ages 3 through 14. The last week will be highlighted by a cook-out and camp fire service. All children of the community are invited to at-

tend. Pre-registration can be made by phoning Mrs. Gilbert at Mokena 479-5953 after 4:30 p.m.

Mrs. Vera Mansfield, 1966 Chapter Queen of the Tops club of New Lenox, was honored on Friday at the Illinois State Regional convention held at the Sherman House in Chicago. Also attending leaders workshop and SRD were Joan Mills, leader of the club, and Charlotte Blaess, co-leader.

Mrs. Mansfield lost 603/4 pounds in a six months period, and paraded with the Chapter queens, in State Tops Royalty at a recognition ceremony. Queens paraded down a ramp and were presented roses, to applause as their weight losses were announced to the audience.

A baggy dress parade by members of the Illinois clubs who have lost 50 or more pounds within 1966 was held, during which members shed their baggy dresses to reveal their new figures.

A banquet was held during the evening for approximately 1500 club members, after which the crowning of the new 1966 queen and king was witnessed in the Grand ballroom. Also honored were 100 pound losers who had kept their weight off for one whole year.

TOPS members of New Lenox have just finished a 6 week contest in which the losing team entertained the winners.

New books during the past month at the New Lenox Library, are as follows: Fiction: The Time is Noon, by Pearl Buck; The Captain, by DeHartog; ZinZin Road, by Knobel; Groucho Letters, by Groucho Marx; Dialogues With the Devil, by Caldwell Taylor; Silver Hill, by Phyllis Whitney; The Buckstones, by Paul Wellman; and Midsummer Lekki, by Wuorie.

Non-fiction: Challenge to Science, the UFO Enigma, by Jacques and Janine Vallee; Inside Internal Revenue (a report to the Taxpayer) by William Surface; Pay Now, Die Later, by Janes Gollin; Death of a President, by Manchester; The Seventh Step by Bill Sands; and Lively Ghosts of Ireland, by Hans Holzer.

The Rock River Conference meets June 4 through June 8 at DeKalb, Illinois.

New Lenox will be represented at the conference, which is comprised of delegates from Northern Illinois Methodist Churches, by Reverend Herbert George as Pastor, and Lay Delegates Arthur Nelson and Mrs. Vera Chapman.

The Conference received reports of the work of the various churches, and helps to point up the various programs that relate the work of the churches to the Christian Gospel.

The facilities of Northern Illinois University are used for the conference sessions. Six hundred sixty seven churches make up the conference. Bishop Thomas Pryor presides at the sessions.

Boys and Girls will be attending Vacation Church School at the New Lenox Methodist Church June 19 through 30.

Sessions will be held each morning from 9 a.m. to 11:30 a.m. Activities are graded for children ages 4 through 12. There will be stories, handwork, games, songs and some experiences out-of-doors at the campgrounds.

Registration is \$1.00 per child, or \$2.00 per family. Make registrations early in order that materials can be ordered. Cards are available at the church. Mrs. Donald Weber and Mrs. Carl Batson are co-directors of the school. Study materials prepared by the Department of the Christian Education are being used.

A Joint Installation of officers for the Post and Auxiliary of VFW Post 9545 (Harry Anderson) will be held Saturday night, June 10, at 8 p.m. at the Post home, 323 Old Hickory Road. Installing officer for the Post will be the newly elected Will County Council Commander Joseph Serena from South Wilmington Commander elect, Jack Shonkwiler.

Installing officers for the Auxiliary will be Adonia Mietsner, past president of the Harry Anderson Auxiliary and the president elect Alice Fraser. The public is invited to attend this open meeting.

Commander Ed Reener of VFW Post 9545 and members of the Post, Jack Shonkwiler, Anton Bruck, Alex Fraser, attended the 5th District meeting at Elgin, Ill. on Sunday. Commander Reener was elected Trustee of the 5th district.

Members of the Congregation of Grace Episcopal church are busy making plans for their annual Country Fair to be held Saturday July 22.

The Ladies Fellowship group of the Church of the Nazarene will meet Wednesday

day June 7 at 9:15 a.m. at the home of Mrs. Lawrence Crawford, 1415 Honey Hills, Joliet, for a coffee hour and meeting.

Leo Jordon from Ind. has started putting up the Roller Rink he will manage for the summer months, on the village grounds north of the Rock Island tracks, and east of the sewage disposal plant. The local girl scouts have been cleaning up the property and planting trees, shrubs and flowers. The village plans a playground and picnic area on the site also.

The New Lenox Village Board will meet for its regular monthly meeting on Wednesday night, June 7, at 7:30 in the village hall on Church Street.

The Village board is planning a Clean Up Day for New Lenox on Saturday June 10, when the M. and M. Disposal trucks will pick up articles such as, household items, old gas stoves, refrigerators, bed springs, mattresses, brush, only if tied in bundles not longer than 5 feet. They will not pick up broken concrete, or logs or timber.

The Church Women of Grace Episcopal church are planning to attend a luncheon meeting at the Blue Willow on Thursday, June 8, at 12:30 to honor their out-going officers. This year Mrs. Emma Rought, who has served as president for the past 5 years will be honored for her faithful and dedicated service.

The new officers will also be introduced at this time. They are: President, Mrs. Doris Cooper; 1st vice president, Mrs. Peggy Stricker; 2nd vice president, Mrs. Patricia Gorman; secretary, Mrs. Anna Parsons, and social chairman, Mrs. Marjorie Munday.

The Martha Circle will meet Wednesday June 7 at 1:30 p.m.

The Ruth Circle will meet Tuesday June 6.

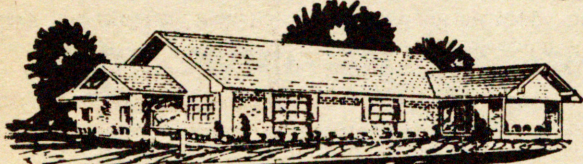

The Chancel Guild of Trinity Lutheran church will meet Monday night June 5, at 8 p.m. at the church.

The New Lenox Ministerial Association has discontinued their meetings for the summer months, and will reconvene in September.

VFW Harry Anderson Post 9545 will meet Thursday, June 1, at the post home at 323 Old Hickory road, for their monthly meeting.

Providence High School Conducting Summer Camp

As a community service, the 40-acre campus of Providence High School, New Lenox, will be available this July as a summer day camp, Brother K. Daniel, Providence principal, has announced.

The camp will operate from 9 a.m. to 3 p.m. every day for four weeks, from July 5 to July 28.

The activity fee of \$10 allows a student the use of the Providence facilities in organized, supervised sports

activities. Entertaining and educational films will also be shown. A student in this program may attend any day or every day.

Separate one - week arts and crafts sessions will be held every week of the four-

week period. Each week is different in its projects and scope. A student may register for any number of weeks in this course, the fee for which is \$5 per week.

A reading program will be the highlight of the camp. Trained professional reading specialists will analyze and seek to improve the reading proficiency of those who register for this course. So that proper analysis and improvement can be made, one who registers for this course is expected to attend every day for the four weeks. The fee for the reading program is \$20.

All must register for the daily activities program, but in addition, any student may take the arts and crafts course or the reading course, or both.

Early registration is necessary so that arrangement of schedules and preparation of equipment can be made.

A brochure giving full details of the camp is available and may be obtained by writing or calling the school at 485-2136 any weekday between 9 a.m. and 3 p.m.

Meditation Day

The Community Center Foundation monthly day of meditation will be held from 10 a.m. to 2 p.m., June 7, at the foundation, 127th St., Palos Park.

The resource leader will be the Rabbi A. Klein of the Beth Shalom Congregation, Park Forest. The public is invited.

Traditional and cautious gardeners are setting out their tomato plants this weekend. For best results here are some suggestions. First of all protect those roots. Keep them moist and out of the sun. If you have many plants to place keep the roots covered with moist burlap and the leaves dry. Better yet, buy some of the well started potted tomato plants that are generally available from garden centers.

When the plants are placed in the garden be certain to press moist soil firmly around the roots but do not pack it tightly with your feet. If you are lucky the weather will be cloudy and a little rainy when you do the planting.

One trick that we've known about for years but seldom talk about is cutworm prevention. Simply surround the stem with a cardboard collar and allow for an inch or two below the soil line and an inch or two above the soil line. This will prevent the worms from clipping off any new transplants.

As a final step take a little care and add a starter solution. This will give the plants a faster start and mean more tomatoes sooner. A starter solution is made by using an all-soluble fertilizer high in phosphorus. Some examples are 10-52-17 or 10-50-10. The middle number stands for the per cent of phosphorus. Mix about two tablespoons of this fertilizer per gallon of water. Place about a cup of this solution around each plant as you set it out.

An added suggestion is to plant more than one variety of tomato in your garden. For example use both early

and late varieties. This will extend the producing season. Illinois recommended early varieties of tomatoes are: Moreton Hybrid, Heinz 1350, Heinz 1370, Cardinal Glamour, Campbell 1327 and Big Boy or Wonder Boy. Main crop tomatoes should include: Improved Garden State, KC 146, Manapal, Rutgers Hybrid, Manalucie and Heinz 1349. For salads or paste use Roma VF.

Don't buy too many plants for a small garden. Tomatoes like plenty of room. Nine to 12 square feet per plant is about right.

JAMES PEYTON

This being the Memorial Day weekend even though Tinley Gardens has no war dead to be so honored I think it is appropriate that we honor our living warriors. At the present time we have only three and we are proud of all three as they have all served overseas and are all doing the job that is expected of them. They are Seaman Richard Sandy, Pvt.

Thomas Kripner and Airman 3rd Class James H. Peyton Jr. Seaman Sandy is on a Mediterranean Cruise with the Sixth Fleet and is on alert due to the tension in Asia at the time. Pvt. Kripner is in Ft. Ord, Calif. awaiting reassignment as per last letter and Airman 3rd class Peyton is in Camp Kinzer, Okinawa helping with the wounded from Viet Nam and also returning war dead. We all wish them the best of luck and also a speedy

return to us.

-o-

We would like to ask all of our drivers to be on the lookout for children playing on the street and to please drive slow as some of these children are really too small to be out on the street however they are there and we must watch out for them so please be careful and especially near dark as you can hardly see them.

-o-

Our flag boys for the month of May have done an exceptionally fine job and now that the weather is nice again we will try to get two girls to take the job for the month of June. It is amazing the responsibility and initiative that these small children accept in order to fly the flag of their country in the manner in which it is supposed to be flown. The entire community congratulates all of the children who have flown

the flag this past year and we also hope that you continue to fly it with the same enthusiasm.

-o-

Anyone interested in signing up for the fall Bowling League please contact Mrs. Bonnie Schultz, 9220 Ethyl Lane, no later than Aug. 15, as they intend to start in Sept.

I would like to thank our good friend Walt Yunker, in advance, for picking up the excess junk from Tinley Gardens. Walt has always done a tremendous job for us whenever the occasion has arisen and we the people of Tinley Gardens appreciate having such good friends in some of the other surrounding communities. Also we would like to reciprocate and offer to help these other communities in any way that we possibly can. The more we work together the better we can live together.

Neva Heath To Receive Merit Award From LEAC

MRS. DOLORES ANDERSON
Telephone: 485-2365

Neva Heath will receive the Blanche Harms merit award for her outstanding contribution to the Lincoln Estates Athletic Club. She received a unanimous vote at the May 17, meeting. In winning the award Mrs. Heath did a beautiful job of making the Club flag. She becomes the second person to receive this award in 1967, the first one being Don Goreham, editor of the Frankfort Times. They will receive the honor at the Awards Presentation Dance on Oct. 7.

Two new members received their club oath--Vern VanDoren of Worth and Howard Rub.

Five applications were approved, Art Wilson, Ken Waldvogel, and Alvin Toback of Frankfort, Darrel Dean McCoy and Jack Newton of Lincoln Estates.

Ways and Means Chairman, Tom Fordonski, reported the rummage sale will be held June 9 & 10 in Hogy's Hall.

Tom Vaughn, Uniform Chairman, reported that softball uniforms have been ordered.

Members of Lawrence Nicholsons committee will meet Sunday, May 21 to complete the Memorial Day plans.

Jack Spuck, Float Chairman, reported that the float should be ready in time for the parade. Russ Clark and Dan Wondrasek are going to build it with the help of Curly Winterrowd and Bill Frankenberg. Bonnie Sue Harms and David Nicholson will ride the float as Ann Rutledge and Abraham Lincoln. This idea was suggested by John Chojnacki.

Vice President Roger Wischover who is also the Horseshoe Pitching Chairman said the Tournament will be held June 25.

Jim Geuther reported on the Life Insurance that is available to club members.

The next regular meeting will be held June 21, at Hogy's Hall.

Co. Police Using Radar On Francis Rd.

Those signs along a two-mile stretch of Francis Rd. in New Lenox Township telling motorists that the speed limits is 30 miles an hour mean just that, according to Will County Police.

Few persons, including residents who asked for the speed setting, ever maintained a 30-mile pace along the stretch but county police advise that disregard of the posted speed limits can be costly.

The county officers have started dropping in at different times along Francis Rd. with a radar car and handing out tickets to drivers traveling too fast.

It's The Saturday Drivers That Rate At Bottom Of Pole

The Sunday driver has long been the target of jokes, but according to a survey by the Travelers Insurance Companies, the Saturday shopper may be more of a menace.

More fatal accidents occur on Saturdays (21.6 percent) than on any other day. Sunday takes "second honors" (18.3 percent).

A spokesman said drivers should pay attention to traffic -- not store windows. "A moment's distraction can cause a lifetime of agony," he added.

More than 52,500 deaths and 4,400,000 injuries were caused by highway accidents last year. Of these, more than 11,000 deaths and 809,000 injuries occurred on Saturdays. Tuesdays recorded the lowest number of deaths and injuries.

Passenger cars were involved in nearly 80 percent of all fatal accidents and almost 90 percent of all non-fatal accidents. Commercial vehicles, driven many more miles per year than passenger cars, were involved proportionately in twice as many fatal accidents as non-fatal accidents. Motorcycles, which constitute less than two percent of all registered vehicles, were involved in more than two percent of all highway fatalities last year.

Straight answers and full truths about electric heat

(for the people who plan to
buy or build this year)

Frank answers about electric heat for those of you who are planning to spend 20 thousand dollars, or more, for a new home that you'll probably live in for the next 10 or 20 years. You owe it to yourself to investigate the many advantages of electric heat.

As a background, you should know there are 8 million people in the United States now living in electrically heated homes. Estimates indicate that this year 27% of homes being built will have electric heat. And, by 1970, over half of all new homes will be heated electrically.

Let's look into the why's and wherefore's.

Just how happily can you live with electric heat?

Properly installed, the comfort and convenience of electric heat far surpasses anything you've ever experienced before.

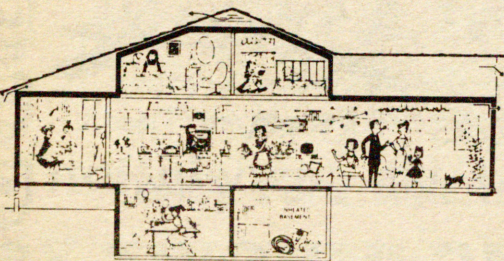

For example: you can step from your shower in the dead of winter and still feel warm. Baby can play on the floor when it's 20 below outside, and not be chilled. You'll even discover yourself cleaning less because electric heat is so dirt-free.

Proper installation assures comfort

Commonwealth Edison will be pleased to consult with your architect or contractor to assure that your electric heating system is designed for your house and installed in accordance with approved engineering standards.

Insulation should also be installed ac-

Heavy black line indicates proper insulation.

cording to recommended standards. When an average six-room house is properly insulated at the time of construction, it will add less than 1% to the total cost. Good insulation will not only repay this investment in less than 4 years by cutting heat loss, but will add greatly to your comfort. And in the summer your home will be cooler, too.

With electric heat, you can pick the type of heat you want for your new home.

There are 5 basic types of flameless electric heating equipment. Depending on your heating requirements, one system can be used separately, or several may be teamed together.

If space is at a premium, or you want room-by-room temperature control, electric baseboard units or ceiling cable probably will work best.

The electric heat pump either heats or cools, depending on the outside temperature.

Electric central heating systems which use electrically-heated warm air or electrically-heated hot water are available in a variety of types to fit any need. They can be combined with electric central air-conditioning systems to provide year-round comfort.

Electric wall panel heaters provide radiant heat and are best suited for bath and dressing rooms or other areas where space is limited.

What about the cost of electric heat?

All things considered, electric heat will probably cost you somewhat more than gas heat. For example, you should expect to spend about \$200 per year for electric heat in a properly insulated six-room house—or about \$60 more than gas heat. This does not take into account maintenance and decorating savings with electric heat.

However, electric heat rates have steadily declined. Since 1958, Commonwealth Edison has reduced electric heat

rates more than 50% and still further reductions are expected for the future.

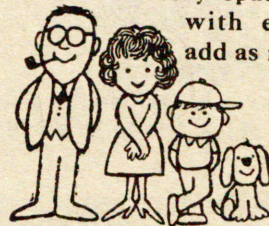

Electric Heat is designed to outlast your mortgage (even if it's for 30 years).

After 15 years of operation, during which you would have little, if any, maintenance, look what has happened to your friend with gas heat. During this same 15 years, chances are he will have replaced his furnace (at \$300)—paid out another \$40 to run the pilot light 15 summers, and paid an additional \$225 for furnace cleaning, maintenance, and a big supply of filters.

Electric heat's great for growing families, too.

How many of your friends have outgrown their homes a few short years after they bought them? They plan to add a room or two, and come face-to-face with the old bugaboo—heating the new area.

With gas, frequently they must buy a new and bigger furnace or settle for less-than-satisfactory space heaters. Not so with electric heat. You add as much heating capacity as you need to your new wing almost as simply and inexpensively as adding new wiring.

That's the story!

Anyone about to spend the money a house costs these days ought to know he's spending his money wisely.

We happen to think that your heating dollar will be far better invested in modern electric heat, and we've tried to show you why.

If you'd like more information about electric heat, please call our nearest office.

The eighth grade class took their graduation trip to Springfield last Friday, and had their graduation banquet at the Silver Lake Country Club yesterday, Wednesday, May 31.

The school will have regular classes on Monday, June 5 and Tuesday, June 6. The teachers will have a workshop on Wednesday, June 7, and there will be no classes for the children. On Thursday, June 8, there will be a half day for the children at which time the report cards will be given out. School will then be closed for the summer.

The health forms for the kindergarten, first grade and fifth grade pupils not yet filed will have to be in the fee days set for August.

The Summit Hill Parent-Teacher Group has contributed \$125 to the school to purchase sod to enhance the school grounds.

The school was represented in the conference girls track meet at Carl Sandburg High School last Tuesday, May 23.

Six girls represented the school: Claudia Cullison, Laura Lillivek, Sandra Fife, Jill Neumayer, Jan Maschmeyer and Jan Karkos. The girls showed themselves admirably.

Claudia Cullison won a first place ribbon in the one hundred yard dash. She also won a fifth place ribbon in the fifty yard dash; this in spite of slipping on the take off. She also won a fourth place in the long jump, formerly called the broad jump.

Laura Lillivek won a fifth place ribbon in the 75 yard dash. She also won a fifth place in the baseball throw.

Jan Maschmeyer took a fourth place in the high jump.

The girls, Claudia Cullison, Jan Maschmeyer, Sandra Fife and Laura Lillivek formed a relay team for the four hundred forty yard dash and placed fourth. Their time was 60.3 seconds with the first place taking it with 60 seconds even.

The First Nighters are having their final meeting before the summer break tonight, Thursday, June 1. It will be held at the home of Mrs. Evelyn King on Beechnut Drive.

The Juniors of Troop 289 planned to be in the opening parade last Sunday.

The troop is having a three day campout at Hawthorne Ridge during June, and there will be a special treat for the girls of Patrol Number 1 for being the most cooperative during the year.

The Junior Girls of Troop Number 103 who were bridged into Cadettes at the ceremonies held last week at the home of Mrs. Alice Kilgore the leader of the Juniors.

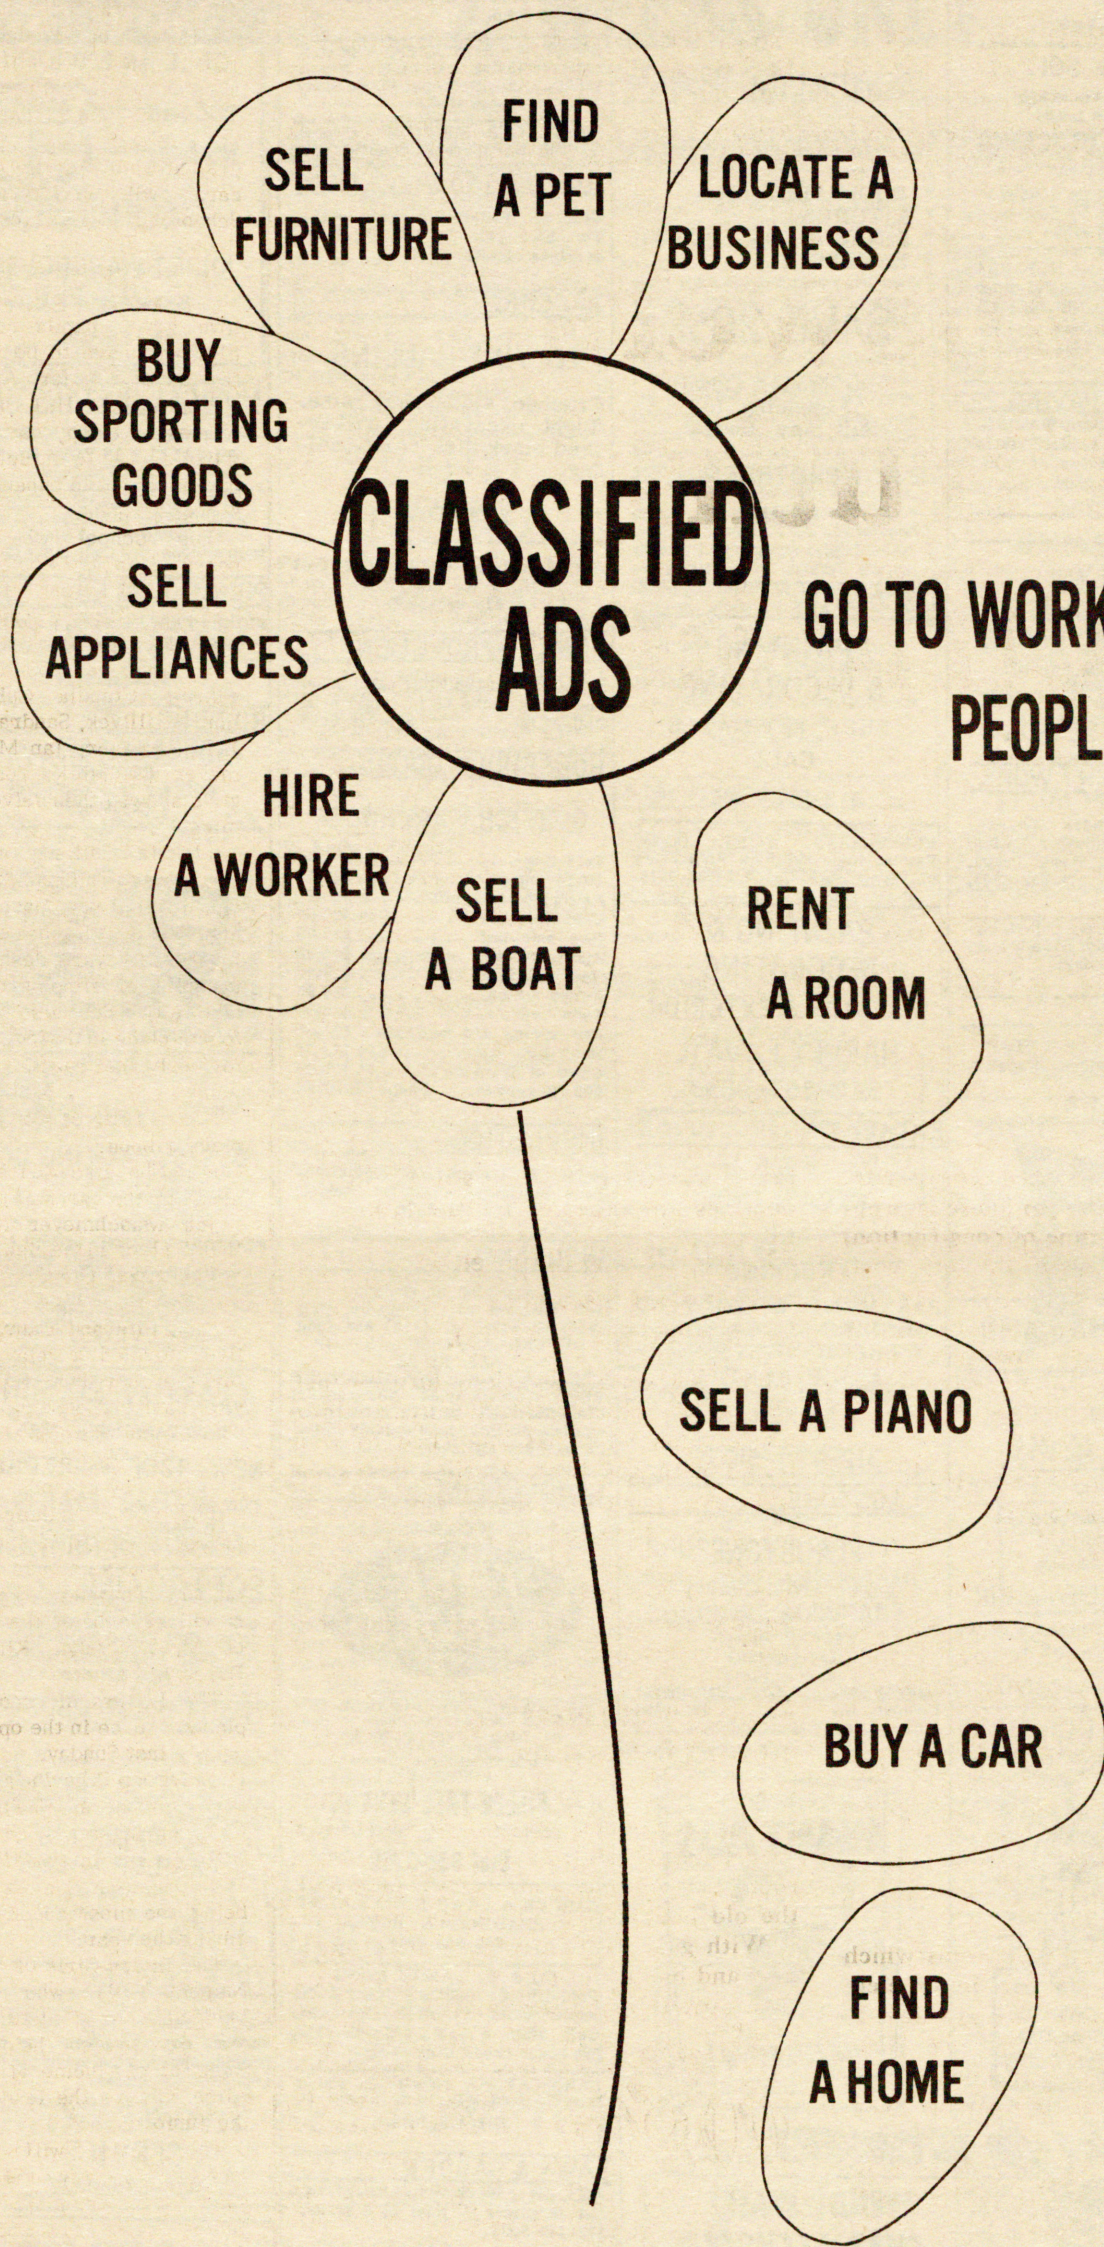

The girls will have meetings on May 31 and June 7 to complete their Junior badge work and will then have the opportunity to continue into the Cadette Troop Number 336.

There will be a meeting of the Cadettes at the home of Mrs. Barbara Markowski at 9328 West Magnolia on June 14, at 1:00 P.M. This meeting will include both the girls now in the troop and the girls recently bridged into Cadettes.

The girls should bring paper and pencil, and, if possible, they should also have a Cadette Girl Scout Handbook.

The Boy Scout Troop had a swimming outing at Castle Acres last Wednesday, May 24 with Mr. Markowski and Mrs. Arcuri.

LIVESTOCK SUMMARY
We urge each and every farmer that has LIVESTOCK to sell, check and compare our market. Butcher hogs, sows and boars have been bringing full market value. Feeder pigs these past few weeks have been in very good demand with the rising prices in Butcher Hogs. Lamb and Veal have been selling at top prices here at Kankakee. Please check our prices on Cows and Bulls. They have been netting Farmers more money due to less shrinkage here at the Auction. Don't undersell your Livestock at home. Sell at Auction where several buyers bid on them instead of 1 man setting the price. We respect each consignment large or small.

99-Automobiles For Sale

\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port of entry for the VW Sedan.
The price includes federal excise tax and import duty.
It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual padded sun visors.
It's the price of the real thing; not a stripped-down economy model.
What else do you have to pay?
The charge for transporting the car from the port of entry. The dealer delivery charge.
And local sales tax.
There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra. Nearly everyone orders it because it eliminates the need for slip covers. And that's it.
(Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)
